NOTICE

As the winter weather starts to set in and we are seeing snow that has to be moved out of driveways, parking lots and sidewalks I need to remind homeowners and plowing contractors that per the City of Rome Code of Ordinances there are specific rules on the placement of snow during any clearing process.

The following is an excerpt from the Code of ordinances : Article V section 58

Sec. 58-234. - Placing snow on streets, sidewalks or highways.

It shall be unlawful for any person to plow or push snow or ice from private premises onto the public streets, sidewalks or highways of the city.

(Code 1966, § 26-81)

The complete article can be read in the Code of Ordinances on the City of Rome Website at romenewyork.com . Click on the Corporation Counsel Office section and then go to the title of City of Rome Charter Laws.

Thank you for your cooperation in this matter
